GAANV WALA Academic Excellence Program (AEP)

Our Academic Excellence Program (AEP) is designed to collaborate with schools to elevate the academic experience for students from Class 6 to 12. This School Integrated Program (SIP) takes full responsibility for academic planning and management, providing schools with relief from academic stress and offering students comprehensive preparation for competitive exams like NEET, JEE, NDA, CUET, CA, and more. Below are the key services we offer:

Academic Planning and Monitoring

We take care of the complete academic structure and execution for your school, ensuring seamless coordination and monitoring throughout the academic year. Our services include:

- Teaching Schedule: A well-structured schedule to guide teaching throughout the year.
- Lecture Plans: Detailed plans for every lesson to ensure effective teaching strategies.
- Test Paper Schedule: A comprehensive testing plan to prepare students for competitive and board exams.

Comprehensive Study Material

Our study materials are designed by India's top academic experts, focused on NCERT-based content with a competitive exam approach. We offer:

- Level-based learning customized to students' interests and potential.
- Study materials covering Physics, Chemistry, Maths, Biology, Social Studies, Logical Reasoning, and various language subjects.

Review Tests & Mock Test Series

Regular testing is essential to track student progress and fine-tune teaching strategies. Our offering includes:

- Review Tests: Periodic assessments designed to gauge students' understanding.
- Mock Test Series: Comprehensive test series that simulate real exam conditions, covering both competitive and subjective exams.

Teacher Training & Empanelment

We provide comprehensive training for teachers, ensuring they are equipped with the latest instructional techniques and strategies. Our services include:

- Empanelment of Faculty: HR support for hiring qualified teachers as per the school's requirements.
- Subject-Specific Training: We offer training in Physics, Chemistry, Mathematics, and Biology for school-appointed teachers.
